

Message Center

A Simple Solution for Managing Your Practice

With Message Center you'll be able to improve your relationship with your patients, streamline processes and increase profits

Streamline and enhance patient communication

Send secure emails

Send secure messages directly to patients through a secure online portal.

Communicate with outside providers

Remotely send and receive messages from providers outside of your practice.

Leverage electronic faxing

Send, receive, annotate and store documents in an intuitive inbox that lets you organize your faxes.

Get Message Center for just \$99/month* per provider

*Plus \$199 setup fee. Message Center includes 1,000 faxing pages. Additional charges apply for porting existing fax numbers or adding phone lines.
